

111 Main St. S. Granada

Address: 111 Main St S

Description:

Great commercial building on Main St in Granada. 5000 sq ft and was previously used as a part time machine shop and storage. Building has 3 phase power and price will include all 3 phase operated mills and lathes as well as above ground car lift. There is other equipment as well but some may be getting sold before an offer is accepted. There is no heat or A/C but it could be added if desired. The walls have some insulation in place. There is water to the property and there is a rest room. Rear over head door off the alley has access to the car lift. Front overhead door off Main St is 24' wide and 14' tall. There is an attached garage type building on the back side too for additional storage. This building has so many possibilities! Move your business here or start a business or use it as your shop for hobby or storage. This is a very unique opportunity so be sure to schedule your showing.
