

501 S Park St

Address: 501 S Park Street

Description:

Very clean, well taken care of 3 bedroom home located on a nice corner lot. The main floor features a nice sized kitchen, formal dining room, office with french doors and living room along with a full bath. There is an original pocket door between the living room and dining room for some added character. The upstairs houses all 3 bedrooms and a full bath. One of the bedrooms has a large walk in closet. The garage is an over sized double.
