

505 North Main St Blue Earth

**Address:** 505 North Main Street

**Description:**

You'll love the combination of the craftsmanship and character of yesteryear with the modern day updates. The beauty starts as you walk up to the front and enter into the wrap around 3-season porch. The main level has an updated kitchen, formal dining room with built ins, living room, sitting room all with beautiful crafted woodwork. Upstairs there are 4-bedrooms with recently refinished hardwood floors and a large full bathroom. The home was repainted in 2017, new shingles 2019, and had new gutters with leaf guards 2020.
