

416 E 4th Street Blue Earth

Address: 416 E 4th Street

Description:

Move right in and enjoy a new home without the stress of planning and waiting! This newly constructed twin home offers three bedrooms, two baths and a double attached garage. The laundry room is conveniently located on the 2nd level along with all three bedrooms and a full bath. The basement is currently unfinished but has two egress windows and is stubbed for an additional bathroom. Appliances are brand new and included.
